

# EU MEPS

Aluminium and Cast Iron

Frame 71 – 400

kW 0,75 – 400

Pole 2 – 4 – 6 – 8

Efficiency IE3

SKF bearings

PTC fitted (from size 160)

**Options:**

Class H

Special Voltage/Frequency

Brake kits

Encoder

PT100 in the windings

PT100 on the bearings

Heaters

Separate Terminal Box for Auxiliary

Metal Fan

IP 56-IP65-IP66-IP67

The form is a declaration of conformity to Australian standards for three-phase cage induction motors. It features the FELM logo at the top left and the E3 logo at the top right. The title is 'Declaration of Conformity to Greenhouse and Energy Minimum Standards (Three Phase Cage Induction Motors) Determination 2019'. Below the title is the Australian coat of arms. The form contains fields for 'Messrs', 'Inveruno', and 'Order n°'. A large red diagonal watermark reads 'NOT VALID - DRAFT ONLY'. The 'DECLARE' section states that the electric motors supplied are registered and classified in the Australian E3 Equipment Energy Efficiency. At the bottom, there is a table with the following information:

Applicant	ID # 108608
Registration	ID # .....
Motor	ID # 132399

Below the table is a line for the 'Managing Director' signature.
